9. Business

INSERT – Wayne Berntsen, Clearwater Recreation Commission chairperson

Wayne stated the Rec Commission would like to make Beki Zook, Rec Director, a full time Rec employee instead of split 50/50 with the City. Wayne stated the city currently spends approx. \$39,000 on Beki for the City's portion of the salary and benefits. Wayne explained there is an Employee Benefit Fund that will help Rec commission pay for Director benefits. Wayne explained the Rec has a lot of plans for Beki and will need her to work 100% of time for the Rec and the Rec will be able to fund her full salary.

Council discussed and asked what gap will her duties be leaving for the city? Marsh explained that Zook spends the majority of her time with the Rec and supplementing her duties will not be an issue for the himself or Public Works.

After discussion council agreed to give the Recreation Commission the go ahead to move forward and get their questions answered regarding taking over 100% of the Rec Director salary.

a. Consider an Ordinance Annexing 8010 Butterfly St into City Limits

Last month the city received and approved a Consent for and Petition to Annex into the corporate limits of the City of Clearwater from the property owners at 8010 Butterfly Street. The property is part of the Prairie Meadows Estates Sub-division and as such is required to petition for annexation to receive city water service. At the February 27, 2018 meeting the Governing Body did adopt Resolution 7-2018 finding it advisable to annex the referenced property. That resolution was subsequently sent to the Sedgwick County Board of County Commissioners pursuant to state statute. At their March 21, 2018 meeting the Sedgwick County BOCC did adopt a resolution allowing the city to annex the property pursuant to state statute.

Sedgwick County BOCC has approved the release for annexation. A separate Ordinance needs to be adopted officially annexing the property into the city.

Motion: *Griffin* moved, *Titterington* seconded to adopt ordinance 1042 annexing 8010 Butterfly St into the City limits. Coon, yea; Papish, yea; Palmer-Witt, yea; Titterington, yea; Griffin, yea Voted and passed unanimously.

b. Consider Petition for Improvements for Chisholm Ridge Phase 3

Wanting to build on the momentum of the success of Chisholm Ridge Phase 2, Staff worked with the City’s Bond Attorney, Kevin Cowan and Financial Advisor, John Haas to initiate the process of making improvements in phase 3.

Water \$154,810
Streets \$469,627
Sewer \$95,331
Drainage \$50,231

Water, streets and sewer improvements will be assessed equally by lot in the improvement district. The drainage improvements will be paid by the City.

The overall cost of the improvements is \$769,999, of which \$719,768 will be assessed to each property.

John Haas explained that staff directed him to set up temp notes with 3-year financing. This will give the city 3 years to sell the lots prior to having to pay specials themselves. John went through the calendar for closing of the temp notes and stated the closing date will be June 1, 2018. This meeting council will accept a petition to move forward with the improvements for Chisholm Ridge phase 3. The next meeting will be a resolution authorizing the project and a resolution calling for a temporary note sale.

Motion: *Titterington* moved, *Palmer-Witt* seconded to accept the petition for improvement for Chisholm Ridge Phase 3. Voted and passed unanimously.

c. Consider Ambulance Fee Reduction

The Governing Body asked Staff to review the ambulance billing fee after one year and recommend any changes that Staff felt was necessary.

Staff reviewed billing for 2017 looking at amount billed, collections and insurance contract adjustments. After discussions with our billing company Delisa and the Emergency Services Director, Staff recommends reducing the amount billed per service as shown in the following table:

Call/Service Type	2017 Rate	2018 Recommended Rate
ALS 2	\$1500	\$700
ALS 1	\$1200	\$600
BLS 2 (Emergency BLS)	\$850	\$500
BLS 1	\$750	\$450
Transfer	\$500	\$275
Mileage	\$18/mile	\$13/mile

The recommended rate for 2018 better reflects what the City collects based on insurance contract adjustments. It also represents a more accurate figure for budget purposes and for the Public.

City billed \$156,772.20 for ambulance services in 2017

For the city to bill the insurance company, the City agrees to accept insurance adjusted rates for ambulance services

Each insurance rate differs for various reasons:

employer

Participant plan

history

\$94,703.64 was adjusted from the above total (60%)

Leaving \$62,068.56 the city could actually collect (40%)

City Collected \$49,359 in 2017 (80%)

Papish pointed out that if we lower our rates too much and insurance starts to pay more then the city might not be able to recoup as much back from the insurances as possible.

Council discussed and decided to not adjust rates at this time but asked staff to bring this information back up in January 2019.

10. City Administrators Report

Reminder: Curbside City-wide cleanup will be April 21st. All items must be at curbside by 7:00 am.

Reminder: please let me know if there is anything in particular you would like to see done or budgeted so Staff can get costs/prices/etc. prior to the budget workshop.

The strategic planning workshop tentatively scheduled for April 14th will be rescheduled.

The selection committee for the Planning Walkable Spaces RFP met March 15th to interview the 2 companies that submitted RFP's, Vireo and SE3. After interviews and reference checks the committee selected Vireo to conduct the study. They will start in mid-May and as part of the study will hold a couple of community meetings to gather input from citizens.

We continue to receive an increase in nuisance complaints, particularly regarding inoperable cars on private property. As noted last meeting, staff is launching an information campaign to educate and inform citizens about nuisances and what is permitted and not permitted. The city newsletter will be dedicated to this topic in the next water bill as well as posting the information on the City website and FB page to reach as many people as possible. After a 30-day period to self-correct violations, remaining violations will receive a warning notice (10 days) and then abatement notices and citations will be issued.

The Chamber has reached out about the Welcome signs at K-42/135th St. and US 81/103rd St. Once they get costs finalized they will be coming to ask the Governing Body for monetary assistance. The City does not have anything budgeted in 2018 for these signs, however the City Capital Improvement fund could be used.

Courtney and I will be at the Kansas Rural Water Association Conference Wednesday & Thursday.

I will be out next week from Tuesday afternoon through Friday.

11. Governing Body Comments

Coon had nothing to report

Papish reminded everyone the Art Walk will be April 6th at 7pm. She also asked if there has been questions about having a beer garden. Marsh stated he is looking into that. Papish also asked if 12 cones could be set out for the Art Walk to mark the locations of art.

Palmer-Witt had nothing to report

Titterington asked if there was an increase in dogs running at large? Chief Hisle stated that he has not noticed an actual increase.

Griffin had nothing to report

Ussery had nothing to report.

12. Adjournment

With no further discussion Mayor Ussery called for a motion to adjourn.

MOTION: *Coon* moved, *Palmer-Witt* seconded to adjourn the meeting. Voted and passed unanimously. The meeting adjourned at 7:53 PM

Item: Fireworks Sale Extension

Background: Section 14-46 of the City Code allows for the sale of fireworks in the City of Clearwater from July 1 – 4 each year.

Analysis: The Government class firework sales is the most profitable fundraiser for the annual Washington, DC Senior trip. July 4th is on a Wednesday this year putting the 1st on a Sunday. Two of the busiest selling days for fireworks are traditionally the Friday & Saturday before the holiday and the Government Class would miss out on the opportunity to sell on those days. Chuck Reitberger, DC Trip Sponsor, is present to ask the Council to consider extending the sale days.

Financial: No financial obligation to the City

Legal Considerations: Council has drafted a temporary amendment to Section 14-46 of the City Code to extend the sale of fireworks for Friday, June 29th and Saturday, June 30th. This temporary amendment is for 2018 only.

Recommendations/Actions: Approve the temporary amendment to Section 14-46.

Sec. 14-46. - Sale and use of fireworks.

- (a) *Retail sale of fireworks; date; time.* The retail sale of fireworks shall only be permitted on the days of July 1 through July 2 between the hours of 10:00 a.m. and 10:00 p.m. and on the days of July 3 and July 4 between the hours of 10:00 a.m. and 12:00 midnight.
- (b) *Use and discharge of fireworks; date; time.* The use and discharge of such fireworks shall only be permitted on the days of July 1 through July 2 between the hours of 10:00 a.m. and 10:00 p.m. and on the days of July 3 and 4 between the hours of 10:00 a.m. and 12:00 midnight.
- (c) *Public display of fireworks; date.* A public display of fireworks shall be permitted upon application as set forth in section 14-45 on the days of July 3 and July 4. A public display of fireworks may be permitted on any other date after application and approval by the city council and upon the conditions set forth by the city council in granting its approval.
- (d) *Special circumstances; exceptions.*
 - (1) If July 5 falls on a Saturday in any calendar year, then the dates set forth in subsections (b) and (c) of this section shall be extended to July 5 between the hours of 10:00 a.m. and 10:00 p.m.
 - (2) If inclement weather prevented the use and discharge of fireworks and the public display of fireworks on July 4, the mayor in his discretion may notify members of the public that the dates set forth in subsections (b) and (c) of this section shall be extended to July 5 between the hours of 10:00 a.m. and 10:00 p.m.

(Code 1974, § 6.28.031; Ord. No. 728, § 1, 1996; Ord. No. 749, § 2, 1997; Ord. No. 771, § 2, 1998; Ord. No. 780, § 2, 1999; Ord. No. 891, § 1, 2008; Ord. No. 922, § 1, 5-11-2010; Ord. No. 991, § 1, 12-9-2014)

March 29, 2018

Mayor Burt Ussery and the Clearwater City Council:

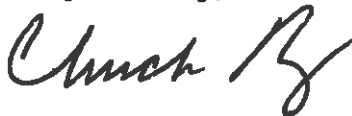

I wish to respectfully ask for the opportunity to address the city council on the matter of fireworks sales during the week of the Fourth of July.

For many years, the Clearwater City Council has fully supported the Washington DC Senior trip. Our fireworks sales is by far our most profitable fundraiser to defray some expenses of this fantastic experience for our community's youth.

City ordinance allows fireworks sales to be allowed July 1-4. With the holiday on Wednesday this year, potential sales the previous weekend days will be seriously hampered

I look forward to speaking to the City Council on this matter at your convenience. Thank you for your consideration.

Respectfully,

**Chuck Reitberger

Consider Chamber of Commerce Sign Proposal

Background: Clearwater Chamber of Commerce informed council last year that they were working on putting together pricing for signs located on Highway 81 and K42.

Analysis: The Chamber reached out to NuLine signs to work with them on coming up with signs that will be able to work with the existing poles. Shaun Weaver will be on hand to give the proposal for a shared cost between the City and the Chamber.

Financial: Unknown

Legal Considerations: Review and comment as necessary

Recommendations/Actions: Consider a shared cost for new Clearwater signs on the highways.

Item: Consider a Resolution Authorizing the Chisholm Ridge Phase 3 Project

Background: As part of the process for installing infrastructure in support of Chisholm Ridge Phase 3, the Governing Body did accept and approve petitions for improvements.

Analysis: The resolution authorizes the improvements requested and establishes the method of which those improvements would be paid for as well as cost. The improvements will include Street Improvements at \$469,627, Water Improvements at \$154,810, Sanitary Sewer Improvements at \$95,331 and \$50,231 in Drainage Improvements.

Financial: The City at Large will be responsible for levying enough taxes to pay for the drainage improvement costs of the temporary notes. All other improvements will go through the special assessment process. The City will have 3 years to sell the city owned lots prior to final financing where the payments for special assessments will start.

Legal Considerations: The Resolution and supporting documents have been crafted by Bond Counsel Kevin Cowan and he will be available for comment as necessary.

Recommendations/Actions: Adopt the resolution authorizing the Chisholm Ridge Phase 3 Project.

NOTICE OF NOTE SALE

\$752,000*

CITY OF CLEARWATER, KANSAS

**GENERAL OBLIGATION TEMPORARY NOTES
SERIES 2018**

(GENERAL OBLIGATION NOTES PAYABLE
FROM UNLIMITED AD VALOREM TAXES)

Bids. Facsimile, written, and electronic (as explained below) bids for the purchase of the above-referenced temporary notes (the “Notes”) of the City of Clearwater, Kansas (the “Issuer”) herein described will be received on behalf of the undersigned Clerk of the Issuer at the address hereinafter set forth in the case of written and facsimile bids, and via PARITY® in the case of electronic bids, until 11:00 A.M. applicable Central Time (the “Submittal Hour”), on

TUESDAY, MAY 8, 2018

(the “Sale Date”). All bids will be publicly evaluated at said time and place and the award of the Notes to the successful bidder (the “Successful Bidder”) will be acted upon by the Governing Body of the Issuer (the “Governing Body”) at its meeting to be held at 6:30 p.m. on the Sale Date. No oral or auction bids will be considered. Capitalized terms not otherwise defined herein shall have the meanings set forth in the hereinafter referenced Preliminary Official Statement relating to the Notes.

Terms of the Notes. The Notes will consist of fully registered notes in the denomination of \$5,000 or any integral multiple thereof, except one Note in the denomination of \$2,000 (or such amount added to \$5,000 or any integral multiple thereof) (the “Authorized Denomination”). The Notes will be dated June 1, 2018 (the “Dated Date”), and will become due in principal installments on June 1, in the year as follows:

Stated Maturity	Principal
<u>(June 1)</u>	<u>Amount*</u>
2021	\$752,000

The Notes will bear interest from the Dated Date at rates to be determined when the Notes are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on December 1, 2018 (the “Interest Payment Dates”).

* **Adjustment of Issue Size.** The Issuer reserves the right to increase or decrease the total principal amount of the Notes or the schedule of principal payments described above, depending on the purchase price and interest rates bid and the offering prices specified by the Successful Bidder. The Successful Bidder may not withdraw its bid or change the interest rates bid as a result of any changes made to the principal amount of the Notes or schedule of principal payments as described herein. If there is an increase or decrease in the final aggregate principal amount of the Notes or the schedule of principal payments as described above, the Issuer will notify the Successful Bidder by means of telephone or

facsimile transmission, subsequently confirmed in writing, no later than 2:00 p.m., applicable Central Time, on the Sale Date. The actual purchase price for the Notes shall be calculated by applying the percentage of par value bid by the Successful Bidder against the final aggregate principal amount of the Notes, as adjusted, plus accrued interest from the Dated Date to the Closing Date (as hereinafter defined).

Place of Payment. The principal of and interest on the Notes will be payable in lawful money of the United States of America by check or draft of the Treasurer of the State of Kansas, Topeka, Kansas (the "Paying Agent" and "Note Registrar"). The principal of each Note and the interest thereon will be payable at maturity or earlier redemption to the owners thereof whose names are on the registration books (the "Note Register") of the Note Registrar (the "Registered Owner") upon presentation and surrender at the principal office of the Paying Agent. Interest on each Note will be payable to the Registered Owner of such Note as of the fifteenth day (whether or not a Business Day) of the calendar month next preceding such Interest Payment Date (the "Record Date"): (a) mailed by the Paying Agent to the address of such Registered Owner as shown on the Note Register or at such other address as is furnished to the Paying Agent in writing by such Registered Owner; or (b) in the case of an interest payment to Cede & Co. or any Registered Owner of \$500,000 or more in aggregate principal amount of Notes, by wire transfer to such Registered Owner upon written notice given to the Paying Agent by such Registered Owner, not less than 15 days prior to the Record Date for such interest, containing the wire transfer address to which such Registered Owner wishes to have such wire directed.

Note Registration. The Notes will be registered pursuant to a plan of registration approved by the Issuer and the Attorney General of the State of Kansas (the "State"). The Issuer will pay for the fees of the Note Registrar for registration and transfer of the Notes and will also pay for printing a reasonable supply of registered note blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Note Registrar, will be the responsibility of the Registered Owners.

Book-Entry-Only System. The Notes shall be initially registered in the name of Cede & Co., as the nominee of DTC and no beneficial owner will receive certificates representing their interests in the Notes. During the term of the Notes, so long as the book-entry-only system is continued, the Issuer will make payments of principal of, premium, if any, and interest on the Notes to DTC or its nominee as the Registered Owner of the Notes, DTC will make book-entry-only transfers among its participants and receive and transmit payment of principal of, premium, if any, and interest on the Notes to its participants who shall be responsible for transmitting payments to beneficial owners of the Notes in accordance with agreements between such participants and the beneficial owners. The Issuer will not be responsible for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. In the event that: (a) DTC determines not to continue to act as securities depository for the Notes, or (b) the Issuer determines that continuation of the book-entry-only form of evidence and transfer of ownership of the Notes would adversely affect the interests of the beneficial owners of the Notes, the Issuer will discontinue the book-entry-only form of registration with DTC. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer will cause to be authenticated and delivered to the beneficial owners replacement Notes in the form of fully registered certificates. Reference is made to the Preliminary Official Statement for further information regarding the book-entry-only system of registration of the Notes and DTC.

Redemption of Notes Prior to Maturity.

General. Whenever the Issuer is to select Notes for the purpose of redemption, it will, in the case of Notes in denominations greater than the minimum Authorized Denomination, if less than all of the Notes then outstanding are to be called for redemption, treat each minimum Authorized Denomination of face value of each such fully registered Note as though it were a separate Note in the minimum Authorized Denomination.

Optional Redemption. At the option of the Issuer, the Notes will be subject to redemption and payment prior to maturity on June 1, 2019, and thereafter, as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the date of redemption.

Notice and Effect of Call for Redemption. Unless waived by any owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar and the Successful Bidder. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the registered owners of said Notes. Each of said written notices shall be deposited in United States first class mail not less than 30 days prior to the Redemption Date. All notices of redemption shall state the Redemption Date, the redemption price, the Notes to be redeemed, the place of surrender of Notes so called for redemption and a statement of the effect of the redemption. The Issuer shall also give such additional notice as may be required by State law or regulation of the Securities and Exchange Commission in effect as of the date of such notice. If any Note be called for redemption and payment as aforesaid, all interest on such Note shall cease from and after the Redemption Date, provided funds are available for its payment at the price hereinbefore specified.

Authority, Purpose and Security. The Notes are being issued pursuant to K.S.A. 10-123, and K.S.A. 12-6a01 *et seq.*, as amended, and a resolution adopted by the Governing Body (the “Note Resolution”) for the purpose of paying a portion of the cost of certain drainage, sanitary sewer, street, and water improvements that are within a defined benefit district (the “Improvements”). The Notes shall be general obligations of the Issuer payable as to both principal and interest from special assessments levied upon the property benefited by the construction of said Improvements or from the proceeds of general obligation bonds of the Issuer, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are irrevocably pledged for the prompt payment of the principal and interest on the Notes as the same become due.

Submission of Bids. Facsimile and written bids must be made on forms which may be procured from the Clerk or the Financial Advisor and shall be addressed to the undersigned, and marked “Proposal for General Obligation Temporary Notes, Series 2018.” Written bids must be submitted in writing in sealed envelopes, by mail or hand delivered. Facsimile bids should not be preceded by a cover sheet and should be sent only once to **(316) 265-5403**. Confirmation of receipt of facsimile bids may be made by contacting the Financial Advisor at the number listed below. Electronic bids via PARITY® must be submitted in accordance with its Rules of Participation, as well as the provisions of this Notice of Note Sale. **Any bid submitted shall include the initial offering prices to the public for the Notes.** If provisions of this Notice of Note Sale conflict with those of PARITY®, this Notice of Note Sale shall control. Bids must be received prior to the Submittal Hour on the Sale Date. The Issuer and Financial Advisor shall not be responsible for failure of transmission of facsimile or delivery by mail or in person of any bid.

PARITY®. Information about the electronic bidding services of PARITY® may be obtained from i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, Phone No. (212) 849-5023.

Conditions of Bids. Proposals will be received on the Notes bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: (a) the same rate shall apply to all Notes; (b) no interest rate may exceed a rate equal to the daily yield for the 10-year Treasury Bond published by **THE BOND BUYER**, in New York, New York, on the Monday next preceding the day on

which the Notes are sold, plus 4%; and (c) no supplemental interest payments will be considered. No bid shall be for less than **99%** of the principal amount of the Notes and accrued interest thereon to the date of delivery will be considered. Each bid shall specify the total interest cost (expressed in dollars) during the term of the Notes on the basis of such bid, and the average annual net interest rate (expressed as a percentage) on the basis of such bid. Each bidder shall certify to the Issuer the correctness of the information contained on the Official Bid Form; the Issuer will be entitled to rely on such certification. Each bidder agrees that, if it is awarded the Notes, it will provide the certification described under the caption “Establishment of Issue Price” in this Notice.

Basis of Award. The award of the Notes will be made on the basis of the lowest net interest cost (expressed in dollars), which will be determined by subtracting the amount of the premium bid, if any, from or adding the amount of the discount bid, if any, to the total interest cost to the Issuer. The Issuer or its Financial Advisor will compute the net interest cost based on such bids. If there is any discrepancy between the net interest cost specified and the interest rates specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body of the Issuer will determine which bid, if any, will be accepted, and its determination is final.

The Issuer reserves the right to reject any and/or all bids and to waive any irregularities in a submitted bid. Any bid received after the Submittal Hour on the Sale Date will be returned to the bidder. Any disputes arising hereunder shall be governed by the laws of the State, and any party submitting a bid agrees to be subject to jurisdiction and venue of the federal and state courts within the State with regard to such dispute.

The Issuer’s acceptance, including electronic acceptance through PARITY®, of the Successful Bidder’s proposal for the purchase of the Notes in accordance with this Notice of Note Sale shall constitute a note purchase agreement between the Issuer and the Successful Bidder for purposes of the laws of the State and a contract between the Issuer and the Successful Bidder for the purposes of Rule G-32 of the Municipal Securities Rulemaking Board (“Rule G-32”). The method of acceptance shall be determined solely by the Governing Body.

Ratings. The Issuer has **not** applied for a rating on the Notes herein offered for sale.

Optional Bond Insurance. The Issuer has **not** applied for any policy of municipal bond insurance with respect to the Notes, and will not pay the premium in connection with any policy of municipal bond insurance desired by the Successful Bidder. In the event a bidder desires to purchase and pay all costs associated with the issuance of a policy of municipal bond insurance in connection with the Notes, such indication and the name of the desired insurer must be set forth on the bidder's Official Bid Form, and shall specify all terms and conditions to which the Issuer will be required to agree in connection with the issuance of such insurance policy. The Issuer specifically reserves the right to reject any bid specifying municipal bond insurance, even though such bid may result in the lowest net interest cost to the Issuer.

CUSIP Numbers. CUSIP identification numbers will be assigned and printed on the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the Notes in accordance with the terms of this Notice. All expenses in relation to the assignment and printing of CUSIP numbers on the Notes will be paid by the Issuer.

Delivery and Payment. The Issuer will pay for printing the Notes and will deliver the Notes properly prepared, executed and registered without cost on or about **JUNE 1, 2018** (the “Closing Date”),

at DTC for the account of the Successful Bidder or at such bank or trust company in the contiguous United States of America as may be specified by the Successful Bidder, or elsewhere at the expense of the Successful Bidder. The Successful Bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the Notes and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the Notes affecting their validity and a certificate regarding the completeness and accuracy of the Official Statement. Payment for the Notes shall be made in federal reserve funds, immediately available for use by the Issuer. The Issuer will deliver one Note of each maturity registered in the nominee name of DTC.

Establishment of Issue Price.

(a) In order to provide the Issuer with information necessary for compliance with Section 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively the “Code”), the Successful Bidder will be required to assist the Issuer in establishing the “issue price” of the Notes and complete, execute and deliver to the Issuer prior to the Closing Date, a written certification in a form acceptable to the Successful Bidder, the Issuer and Bond Counsel (the “Issue Price Certificate”) containing the following for the Notes: (1) the interest rate; (2) the reasonably expected initial offering price to the “public” (as said term is used in Treasury Regulation Section 1.148-1(f) (the “Regulation”)) or the sale price; and (3) pricing wires or equivalent communications supporting such offering or sale price. However, such Issue Price Certificate may indicate that the Successful Bidder has purchased the Notes for its own account in a capacity other than as an underwriter or wholesaler, and currently has no intent to reoffer the Notes for sale to the public. Any action to be taken or documentation to be received by the Issuer pursuant hereto may be taken or received by the Financial Advisor or Bond Counsel on behalf of the Issuer.

(b) The Issuer intends that the sale of the Notes pursuant to this Notice shall constitute a “competitive sale” as defined in the Regulation. In support thereof: (1) the Issuer shall cause this Notice to be disseminated to potential bidders in a manner reasonably designed to reach potential bidders; (2) all bidders shall have an equal opportunity to submit a bid; (3) the Issuer reasonably expects that it will receive bids from at least three bidders that have established industry reputations for underwriting municipal bonds such as the Notes; and (4) the Issuer anticipates awarding the sale of the Notes to the bidder that provides a bid with the lowest NIC in accordance with the section hereof entitled “Basis of Award.”

(c) Any bid submitted pursuant to this Notice shall be considered a firm offer for the purchase of the Notes as specified therein. The Successful Bidder shall constitute an “underwriter” as said term is defined in the Regulation. By submitting its bid, the Successful Bidder confirms that it shall require any agreement among underwriters, a selling group agreement or other agreement to which it is a party relating to the initial sale of the Notes, to include provisions requiring compliance with provisions of the Code and the Regulation regarding the initial sale of the Notes.

(d) If all of the requirements of a “competitive sale” are not satisfied, the Issuer shall advise the Successful Bidder of such fact at the time of award of the sale of the Notes to the Successful Bidder and the following provisions shall apply to the Notes. ***In such event, any bid submitted will not be subject to cancellation or withdrawal.*** Within twenty-four (24) hours of the notice of award of the sale of the Notes, the Successful Bidder shall advise the Issuer if a “substantial amount” (as defined in the Regulation (10%)) of Notes has been sold to the public and the price at which such substantial amount was sold. The Issuer will treat such sale price as the “issue price” for the Notes. The Issuer will ***not*** require the Successful Bidder to comply with that portion of the Regulation commonly described as the “hold-the-offering-price” requirement for the Notes, but the Successful Bidder may elect such option. If the Successful Bidder exercises such option, the Issuer will apply the initial offering price to the public

provided in the bid as the issue price for the Notes. If the Successful Bidder does not exercise that option, it shall thereafter promptly provide the Issuer the prices at which a substantial amount of the Notes are sold to the public; provided such determination shall be made and the Issuer notified of such prices not later than three (3) business days prior to the Closing Date. ***Any change in the issue price of any of the Notes after the Submittal Hour will not affect the purchase price for the Notes submitted in the bid of the Successful Bidder.***

(e) This agreement by the Successful Bidder to provide such information will continue to apply after the Closing Time if: (a) the Issuer requests the information in connection with an audit or inquiry by the Internal Revenue Service (the “IRS”) or the Securities and Exchange Commission (the “SEC”) or (b) the information is required to be retained by the Issuer pursuant to future regulation or similar guidance from the IRS, the SEC or other federal or state regulatory authority.

Preliminary Official Statement and Official Statement. The Issuer has prepared a Preliminary Official Statement dated April __, 2018, copies of which may be obtained from the Clerk or from the Financial Advisor. Upon the sale of the Notes, the Issuer will adopt the final Official Statement and will furnish the Successful Bidder, without cost, with a sufficient number of copies thereof, which may be in electronic format, in order for the Successful Bidder to comply with the requirements of Rule G-32. Additional copies may be ordered by the Successful Bidder at its expense.

Continuing Disclosure. The Securities and Exchange Commission (the “SEC”) has promulgated amendments to its Rule 15c2-12 (the “Rule”) requiring continuous secondary market disclosure for certain issues. The Issuer is relying on a provision of the Rule that exempts issues of less than \$1,000,000 aggregate principal amount from the requirements of the Rule and therefore has **not** covenanted to provide continuous secondary market disclosure. However, the Issuer obtains an audit of its annual financial statements by independent auditors, and presently intends to supply its most recent audited financial statements to any Registered Owner upon written request and reimbursement to the Issuer of the costs of the photocopying and mailing. The absence of continuing disclosure of financial or other information pertaining to the Issuer may impair the development of a secondary market for the Notes and could impair the ability of a Registered Owner to sell the Notes in the secondary market.

Assessed Valuation and Indebtedness. The total assessed valuation of the taxable tangible property within the Issuer for the year 2017 is as follows:

Equalized Assessed Valuation of	
Taxable Tangible Property	\$[_____]
Tangible Valuation of Motor Vehicles.....	[_____]
Equalized Assessed Tangible Valuation	
for Computation of Bonded Debt Limitations	\$[_____]

The total general obligation indebtedness of the Issuer as of the Dated Date, including the Notes being sold, is \$5,193,000.

Legal Opinion. The Notes will be sold subject to the approving legal opinion of GILMORE & BELL, P.C., WICHITA, KANSAS, Bond Counsel to the Issuer, which opinion will be furnished and paid for by the Issuer, will be printed on the Notes, if the Notes are printed, and will be delivered to the Successful Bidder when the Notes are delivered. Said opinion will also include the opinion of Bond Counsel relating to the interest on the Notes being excludable from gross income for federal income tax purposes and exempt from income taxation by the State of Kansas. Reference is made to the Preliminary

Official Statement for further discussion of federal and Kansas income tax matters relating to the interest on the Notes.
