

UPDATE FROM THE MAYOR – November 10, 2020

VETERANS' DAY 2020

With Veterans' Day this week, I wanted to start out by giving thanks to all of our Veterans for their service to our Nation! We are very fortunate to live in a free country and that freedom was bought and paid for by the sacrifice of our Veterans! So to all Veterans, but specifically to those many that live here in Clearwater, thank you and God bless you!

COVID-19

I'm sure you have all been keeping track of the growing number of cases of COVID-19 nationally, in the State of Kansas, and in Sedgwick County. I recently had the opportunity to visit with Chris Cooper, Superintendent, USD 264, and we agreed, a priority for our community is to do what we can to keep our kids in school. Regardless of how we might all personally view the need to practice the safety precautions, we believe if we can help in preventing the spread of COVID, it will allow our children to remain in school, not only from avoiding contracting and testing positive for COVID, but for being around someone and having to quarantine as a safety precaution.

In effort to keep everyone safe, please;

- Avoid close contact with people who are sick,
- Avoid touching your eyes, nose, and mouth with unwashed hands,
- Wash your hands often with soap and water for at least 20 seconds,
- Stay home when you are sick,
- Cover you cough or sneeze with a tissue then throw it in the trash,
- Maintain social distancing at all times, and please,
- Wear a mask/face covering that covers your mouth and nose – to help protect those around you.

There is a special meeting of the Sedgwick County Commissioners regarding COVID scheduled for 1:30, Today, November 10th. Please follow the guidelines as recommended by the County Health Officials and the Sedgwick County Commissioners.
